Mr. Joel Breslau  
Co-Station Manager  
WVBR  
Willard Straight Hall  
Ithaca, New York

Dear Mr. Breslau:

The Yale Athletic Association will grant Station WVBR permission to broadcast the Yale-Cornell basketball game from the Payne Whitney Gymnasium on January 15, 1952. The game is scheduled to start at 7:30 but the time may be advanced and I think it would be wise for you to contact the Cornell Athletic office in this connection at your convenience.

I am forwarding your letter and a copy of my letter to Station WYBC, the local Yale dormitory station for approval and acknowledgment. In the event they are willing to permit you to carry the game on a reciprocal basis, they will notify you immediately.

Sincerely yours,

William E. Perkins  
Business Manager

November 20, 1951

Co-Spectator

Dear Mr. Friedman:

The Yale Athletic Association will, with regret, not  
be able to provide the "Yale Sports Illustrated" for the  
game which will be played on November 23, 1951. The game is scheduled  
to take place at the stadium at 12:00 P.M. and it is regretted  
that we are unable to provide the "Yale Sports Illustrated" for this  
game.

I am enclosing your letter and a copy of the letter to  
Ole Olsen, the head coach, regarding the removal of  
the "Yale Sports Illustrated" from the stadium for the  
game on November 23, 1951. I am sorry that we cannot provide  
the "Yale Sports Illustrated" for this game.

Sincerely,  

William A. Fanning  
Director
